Welcome to Davao!

Davao's topography dazzles with a variety of picturesque landscapes. Fruit plantations and orchid farms, mantle volcano-fed hills and valleys. Virgin forests nurture rare wildlife. Coral islands lie on mirror flat water. And the country's highest peak, Mt. Apo, magnificently lords over the hinterland.

Just as enchanting is its brilliant tapestry of harmony, woven from the diverse cultural threads of its people. In Davao, the contemporary fuses with the traditional as migrant settlers from all over the country peacefully co-exist with a sizeable expatriate community and numerous ethnic tribes who continue to live as they did centuries ago.

Davao is home to the majestic Philippine Eagle, the country's national bird and considered the largest eagle in the world. It also boasts of the most prized Philippine orchid species like the Vanda sanderiana and some of the most exotic fruits like Durian and Mangosteen.

Davao is an anchor tourist destination, a natural haven for both sedate and daring pursuits. It is the jump-off point to satellite destinations on the island of Mindanao.

**29th PHILIPPINE AGRICULTURAL
 ENGINEERING WEEK**

**15th International Agricultural Engineering
 Conference and Exhibition**

68rd PSAE Annual National Convention

and co-located with

**6th ASEAN Universities Consortium on Food and
 Agro-Based Engineering & Technology
 Conference**

**USEP Sports and Cultural Center,
 Inigo St. Bo. Obrero, Davao City
 April 22-28, 2018**

Theme:

**Agricultural and Biosystems Engineers:
 Partners in Agri-Fisheries Development for
 Sustainable Tomorrow**

The Philippine Agricultural Engineering Week is celebrated every fourth week of April, pursuant to Presidential Proclamation No. 399 dated 10 April 1989.

The PSAE will celebrate the 29th Philippine Agricultural Engineering Week, highlighted by the 68th PSAE Annual National Convention, 15th International Agricultural Engineering Conference and Exhibition on 22-28 April 2018 at USEP Sports and Cultural Center, Davao City, Philippines.

The weeklong celebration will include among others the conference, exhibits, technology demonstrations, symposia, plenary and technical papers presentations on the development and trends in agricultural engineering and allied fields. It will also feature the different students activities, such as research paper presentations, quiz bee, CAD challenge, tractor driving, tractor parts identification, AE race, animal housing, dance contest, cultural presentations, and search for Ms. & Mr. PSAE 2018.

LANGUAGES

The official languages of the conference are English and Filipino.

CALL FOR PAPERS

Interested persons, organizations, institutions, companies, and other entities are invited to present innovations, new technologies products systems, and best practices in agricultural engineering particularly in research and development categories and in the following areas:

- (1) Agricultural mechanization, power, machinery and equipment;
- (2) Soil and water conservation, irrigation and drainage; and
- (3) Rural electrification, agricultural processing and agricultural structures.

Abstract not exceeding 250 words should be submitted on or before February 15, 2018 to Engr. Danilo L. Aman .at daniloaman17@gmail.com. Each abstract presentation in MS word with Arial Font 11 will be reviewed and the decision will be conveyed to each author by March 15, 2018.

The application form for Scientific/Technical papers and its guidelines covering the submission, presentation and evaluation can be accessed at <http://www.psaee.org.ph>.

The final paper (hardcopy and CD-R containing the document) must be submitted not later than March 31, 2018. Said papers will be categorized accordingly and will be published in the PSABE Journal. Submission of posters is also encouraged for another competition.

REGISTRATION FEE

	<i>Local</i>	<i>International</i>
Professional	PhP6,500	\$250
Student	PhP4,000	\$150

Payments can be made to Philippine Society of Agricultural Engineers (PSAE), Inc. at Land Bank of the Philippines (Quezon City Circle Branch) Current Account No. 0702100321.

ACCOMMODATIONS

Hotels, apartelles, inns, and dormitories with affordable rates are available in Davao City. For reservation, you may contact the Host Chapter President, Dr. Nanette Suero Revilla or e-mail address: nanetterevilla@yahoo.com.

EXHIBITS

Government and private institutions, and other entities wishing to take advantage of sponsoring or exhibitions opportunities may contact the Convention Chairperson or the PSAE Secretariat.

TECHNICAL TOUR

Delegates may join the Technical Tour to see and experience the various produce and existing agricultural systems and technologies in the countryside.

AWARDS 2018

Nominations for the following awards must be submitted directly to PSAE National Board:

Most Outstanding AE Maramba Award

Outstanding AE in the field of:

- Soil and Water Resources Development Conservation, Irrigation and Drainage
- Agricultural Mechanization, Power, Machinery and Equipment
- Postharvest Technology, Agricultural Processing, and Rural Electrification
- Agricultural Structures, Environmental Science and Protection

Special Awards:

- Young Maramba Award (Most Outstanding Agr'l Engineering Student)
- Most Outstanding AE Student Leader
- Most Outstanding Regional Chapter
- Most Outstanding PPG Chapter

General Criteria for the Selection and Screening of Nominees for the Most Outstanding Agricultural Engineer (MARAMBA) and Outstanding Agricultural Engineers of the Year Awards are as follows:

- Be duly registered with the PRC as a Professional Agricultural Engineer, with a valid professional license;
- Be a member of good standing of the Philippine Society of Agricultural Engineers (PSAE), Inc.;
- Not have been guilty in an administrative case, by a final and executor decision, rendered by a regular courts in case of an appeal;
- Not have been convicted of a final judgment by a court of competent jurisdiction of any crime involving moral turpitude;
- Have no pending case with any of the courts for criminal/civil offense or charges;
- Be in active practice of agricultural engineering profession for at least three (3) consecutive years for outstanding AE and at least seven (7) past consecutive years for MARAMBA award; and
- Not be an awardee of the PSAE under the same category in the past three (3) years.

Summary of Requirements to be submitted:

- Endorsement and nomination letter signed by the PSAE Regional President
- PSAE Outstanding AE Nomination Form
- PSAE Regional Chapter board resolution endorsing the nominees signed by the Board of Directors/ Trustees or by the Secretary and attested to by the President.
- Certified true copy of valid PRC license
- Certificate of Membership of Good Standing issued by the PSAE Regional Chapter President.
- Certificate from the office, if employed, of no administrative, criminal case. For self- employed, affidavit of no pending case or not have been convicted of a final judgment by a court.
- Curriculum Vitae
- Current NBI clearance for all nominees and additional Ombudsman clearance for government employees/ officials
- Attachments like:
 - Photocopy of certificates of training/seminars/ conferences/conventions
 - Photocopy of Diploma
 - Photocopy of special orders
 - Highlights of technical papers
 - Certificate of employment
 - Other pertinent documents

Forms are available and can be downloaded at <http://www.psaee.org.ph>. Deadline of submission of application is February 15, 2018.

CO-ORGANIZERS:

- University of Southeastern Philippines (USEP)
- Southern Philippines Agri-Business and Marine and Aquatic School of Technology (SPAMAST)
- DA-Region XI
- Land Bank of the Philippines
- PSAE Region 11

SUPPORTING AGENCIES & ENTITIES:

- Office of the President
- City Government of Davao
- Department of Agriculture
- Commission on Higher Education
- Department of Interior & Local Government
- Professional Regulation Commission
- National Food Authority
- National Irrigation Administration
- Technical Educational Skills and Development Authority
- Department of Agrarian Reform
- Department of Environment and Natural Resources
- Agricultural Machinery Manufacturers Distributors Association
